

Certificate of Flame Resistance

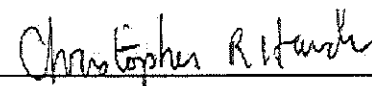

CAN/ULC-S109-03

This is to certify that the material described has been tested according to National Standard of Canada Flame Tests of Flame-Resistant Fabric and Films, Small-Flame Test and Large-Flame Test and meets the requirements stated therein for flame-resistant fabrics for use in draperies or other decorations. The flame resistant treatment is durable to washing and dry cleaning.

Roc-Ion® THERMALSUEDE™ - 1 PASS FR (FLAME RESISTANT)
